

LIFEHAVEN TRANSITIONAL LIVING

Make A Meal

LifeHaven Transitional Living provides short-term transitional housing for young women, ages 16 and 17 and their children, who are experiencing homelessness. We offer a safe place where the mothers can work on life skills and develop a plan that will lead them toward stability for themselves and their children. Make a positive impact on mothers and their children by donating your time and skills to make a meal for them!

Meal Guidelines

- Meals should serve eight adults. A complete meal includes a main dish, side dish and a vegetable.
- Beverages, fresh fruit and/or dessert are optional but much appreciated!
- Meals should be completely prepared when dropped-off with only heating necessary.
- Meals should be dropped off by 4:30 p.m. if ready to eat OR by 2:30 p.m. if re-heating is needed.
- You can deliver your food in disposable containers, or you can ask to have your food transferred to LifeHaven dishes so you can take your containers with you.
- An in-kind donation form should be completed with a LifeHaven employee during drop off.

Meal Ideas

Not sure what to make? No need to be extravagant – LifeHaven residents appreciate simple dishes. The residents’ most common request? LOTS of flavor, seasoning, and spicy heat! Here are some meal ideas they like – but feel free to be creative!

- Fried chicken with baked macaroni & cheese and greens.
- Tacos or enchiladas with beans and Spanish rice.
- Hamburgers, potato salad or chips and fruit.
- Meatloaf with mashed potatoes, gravy and a vegetable.
- BBQ beef, BBQ chicken or Philly cheese steak sliders with corn on the cob and coleslaw.
- Chicken or beef stir fry with rice and egg rolls.
- Homemade pizza, buffalo wings and salad.
- Spaghetti or lasagna with a meat sauce, salad and garlic bread.
- Beef stew with biscuits or cornbread.
- Chili with biscuits or cornbread.

Don't want to cook, but still interested in offering support?

Take-out donations are also appreciated and make the moms and children feel special! Some ideas include KFC®, Popeyes, Chipotle, Chinese food, pizza or sub sandwiches.
