

**JOINDER AGREEMENT
FOR LUTHERAN SOCIAL SERVICE OF MINNESOTA
SPECIAL NEEDS POOLED TRUST**

Instructions for Completing the Joinder Agreement

Please read this entire Joinder Agreement and the related Lutheran Social Service of Minnesota (“LSS”) Special Needs Pooled Trust Agreement (“Pooled Trust”) carefully and in full including all of the “exhibits.” Some of the exhibits require you to provide LSS with specific information. The requested information assists us, as Trustee, in identifying individuals associated with you the Beneficiary, in identifying and planning for the supplemental care or special needs of the Beneficiary, and in updating information over time. Please do not leave any empty spaces; if a question does not apply to you, please indicate N/A in your response. You may attach extra sheets of paper for any question if the space provided is inadequate.

This Joinder Agreement is a binding legal document. You are encouraged to seek independent legal counsel if the beneficiary is **under the age of 65** and you have any doubts about your ability to complete this Joinder Agreement properly or you have questions about the terms of this Joinder Agreement. You **will need** (LSS requires you) to seek independent legal counsel if the beneficiary is **age 65 or older**.

- 1.** This is a non-revocable agreement. **Once established, you cannot ask for a return of your funds.** The funds contributed to the Pooled Trust must be funds that are those of the Beneficiary and not of a third party.
- 2.** Please note that the Pooled Trust cannot disburse funds for basic needs (shelter or food) to the extent it replaces, reduces or substitutes a Beneficiary’s government benefits. The funds are budgeted for supplemental items which are appropriate to the Sub-Account Beneficiary’s needs. Under current law, the Trustee can approve a lifetime disbursement for a pre-paid burial plan but cannot approve disbursements after the Beneficiary’s death for a funeral.
- 3.** Federal law requires that all unspent amounts in a Beneficiary funded Sub-Account at the Beneficiary’s death must be used to reimburse the State or States (if the Beneficiary has received aid from more than one State) for medical services received. The LSS Remainder Share of 10% of the Pooled Trust for other indigent Beneficiaries is deducted before the State(s) reimbursements.
- 4.** The “Beneficiary” is the individual whose funds are contributed to the Sub-Account and who is the sole individual that may benefit from the Sub-Account created for his or her lifetime benefit. The Beneficiary of the Pooled Trust must meet the definition of having a disability to join the Pooled Trust. A Beneficiary shall provide written evidence to the Trustee of disability by providing confirmation of the Social Security Administration or the State Medical Review Team’s (SMRT) determination of disability.
- 5.** The “Grantor” of the Sub-Account must be the Beneficiary, the parent of the Beneficiary, the grandparent of the Beneficiary or a Legal Representative (Attorney in Fact, Guardian or Conservator who signs this Joinder Agreement on behalf of the Beneficiary). Alternatively, the Court may establish the Sub-Account on behalf of the Beneficiary. A Grantor enters into the Joinder Agreement using the Beneficiary’s own fund to establish the Sub-Account for the Beneficiary’s sole benefit.
- 6.** The “Legal Representative or Designated Advocate” is the person who may request disbursements from the Sub-Account for the benefit of the Beneficiary and may receive copies of the financial reports and other fee information from the Trustee. If the Legal Representative is someone other than the Grantor, please provide the information for the Legal Representative or Designated Advocate on Schedule B, (page 8). We will need a copy of the document or documents that appoint the Legal Representative in his or her capacity (i.e. Copy of Power of Attorney, Guardianship or Conservatorship court appointment documentation.). Please provide an alternate Legal Representative, if there is one. This will ensure that Lutheran Social Service has someone to contact in the event the primary Legal Representative is unavailable. Note that all disbursements are within the sole discretion of the Trustee.

Joinder Agreement for Lutheran Social Service of Minnesota Special Needs Pooled Trust

7. Concerning distribution upon the death of the Beneficiary, on Schedule B, (page 11) please provide clear details regarding who is to receive the funds remaining **after** satisfying the State’s claim for Medical Assistance/Medicaid reimbursement and LSS’s Remainder Share or whether the Grantor wants any remainder to be held in the Pooled Trust for the benefit of other disabled individuals with sub-accounts in the Pooled Trust. If the Grantor designates “heirs at law” as the beneficiary, please attach contact information for the person who would be best able to locate heirs. If the Trustee is unable to locate heirs within a reasonable amount of time, the funds will be used for the benefit of other indigent disabled beneficiaries, as if no beneficiary had been named.

8. On the last page of the Joinder Agreement is the checklist for self-settled Sub-Accounts. Please review this checklist carefully. LSS strongly recommends that an attorney be consulted who is familiar with trust and benefits issues before signing the bottom of the checklist. If the Grantor chooses not to review the checklist with an attorney, please make note on the checklist that you are waiving that right and then sign and date the checklist.

In addition to the completed Agreement, please be sure to include the following items:

- a. **Proof of Beneficiary’s Disability** – Under current law, a beneficiary must meet the definition of being “disabled” in order to join the Trust. Therefore, please provide proof of the beneficiary’s “disability” by either providing written evidence of the Social Security Administration or the State Medical Review Team’s (SMRT) determination of disability. This written documentation must be provided at the time of submitting the Joinder Agreement to LSS.
- b. **Proof of Grantor’s Status to Establish Trust on Behalf of Beneficiary** – Under current law, only the beneficiary’s parents, grandparents, legal guardian, the beneficiary himself or herself, or someone acting at the direction of a court may establish the Trust on behalf of the beneficiary. If you are anyone other than the beneficiary, then please include documents that verify that you fall within one of the permissible categories. (The table below illustrates the types of documents that must be submitted. The list is examples only and is not intended to be exhaustive or all inclusive. The documents provided must clearly and unequivocally establish the Grantor's status)

If The Grantor is :	Documents we need
The same as the beneficiary	Your photo I.D. will be enough
The parent (s)	Include a copy of your son or daughter’s Birth Certificate

Any document that establishes the Grantor's relationship to the Beneficiary, and the status to establish the Trust on behalf of the Beneficiary, will be sufficient. Please note, however, that the documents provided must clearly and unequivocally establish the Grantor's status.)

- c. **Photocopies of ID** - All Grantors, Beneficiaries, and those Authorized to Request Distributions (Legal Representatives and Trust Advocates) must provide a photocopy of their Driver's License or other Photo Identification.
- d. **W9** - The Beneficiary and all those authorized to Request Distributions must complete and sign a W9.
- e. **Grantor's Wishes** - Ideas of what the Grantor considers to be "Life Enhancing purchases and Experiences."
- f. **Authorization for Disclosure** – Allows LSS to both provide and receive financial information with other agencies.

9. Funding Instructions: To fund the Sub-Account, please make the check payable to: "Lutheran Social Service of Minnesota, fbo (for the benefit of) [Beneficiary's name]" or alternatively LSS can provide wire instructions at the time the Joinder Agreement is signed. Please send checks and the completed Joinder Agreement, to:

10. Please note that LSS has the right to enter into a Joinder Agreement and the Joinder Agreement is not effective until and unless it is executed by an authorized representative of LSS. After the Agreement is received, reviewed and accepted, you will receive signed copies of the Agreement, along with a copy of the Master Trust Agreement and record of the Inventory for the Sub Account. Stat. § 256B.056 and Minn. Stat §501C.1205.

**JOINDER AGREEMENT FOR
LUTHERAN SOCIAL SERVICE OF MINNESOTA
SPECIAL NEEDS POOLED TRUST**

This is a legal document. You are encouraged to seek Independent legal advice before signing.

This Joinder Agreement (“Joinder Agreement”) is by and between Lutheran Social Service of Minnesota (“LSS” and “Trustee”) and _____, a Minnesota resident (“Grantor”), for the benefit of _____ (“Beneficiary”) for the purpose of enrolling in and adopting the Lutheran Social Service of Minnesota Special Needs Pooled Trust Agreement as amended from time to time (“Pooled Trust”)¹ which is incorporated herein by reference.

1. **Adoption of Lutheran Social Service of Minnesota Special Needs Pooled Trust Agreement.** The Grantor, hereby agrees to transfer the sum of _____ (\$ _____) for the benefit of the Beneficiary into the Pooled Trust sub-account number _____ (“Sub- Account”) to be administered by the Trustee in accordance with the terms and conditions contained in the Pooled Trust Agreement.

2. **Distributions of the Remainder upon the Beneficiary’s death.** All unspent amounts in the Beneficiary’s Sub-Account at the Beneficiary’s death (after payment of the LSS Remainder Share) must be used to reimburse the state or states for medical services received (“State Reimbursement Claims”). If there are funds remaining in the Beneficiary’s Sub-Account after the Trust’s Remainder Share has been satisfied and after the State claims have been satisfied, and after payment of taxes plus any allowable expenses, the remaining amounts are available to be distributed to the Remainder Beneficiaries appointed under Schedule B of this Joinder Agreement.

3. **Pooled Trust’s Remainder Share.** Federal and State regulations allow the Pooled Trust to retain a remainder share upon the death of a beneficiary. The Pooled Trust shall retain a remainder share of 10% of the value of a Sub-Account as of the date of termination and prior to payment of any amounts to the State(s).

The Pooled Trust’s Remainder share shall be used in the discretion of the Trustee for the direct or indirect benefit of other Beneficiaries of the Pooled Trust.

If funds remain after distributions of the Pooled Trust’s Remainder Share, payment of allowable expenses and taxes, payments to the State of Minnesota and/or any other state(s) for State Reimbursement Claims, remaining funds in the Sub-Account, if any, will be distributed to the Remainder Beneficiaries pursuant to Schedule B of this Joinder Agreement.

4. **No Early Termination of Sub-Account.** The Pooled Trust provides that a Sub-Account may not be terminated prior to the Beneficiary’s death.

5. **Locating Remainder Beneficiaries.** Grantor acknowledges that the Pooled Trust may incur additional costs if the Remainder Beneficiaries listed in Schedule B of this Joinder Agreement cannot be located easily. Grantor acknowledges and agrees that after repayment of the State Reimbursement Claims, the Trustee may recover its reasonable costs and expenses associated with locating such Remainder Beneficiaries.

¹ The most recent version of the Pooled Trust is the 2019 Amended and Restated Lutheran Social Service of Minnesota Special Needs Pooled Trust.

6. **Fees.** Grantor agrees to pay the fees in accordance with Schedule A that is attached hereto and that may be amended from time to time in the sole discretion of the Trustee. If fees are not paid in advance by Grantor, the Trustee is authorized to charge such fees to a Beneficiary's Sub-Account. The Trustee shall give notice of any amendment to Schedule A at least thirty (30) days prior to the effective date of the amendment by giving written notice to the Grantor or Legal Representative. Please note that fees are not refundable.

7. **Informational Forms.** Schedule B contains the relevant information regarding the Beneficiary and eligibility for participation in the Pooled Trust and Grantor has completed Schedule B accurately and truthfully with the intention that LSS will rely on the information provided in establishing the Sub-Account and managing the funds deposited into the Sub-Account.

8. **Management of Sub-Account.** The Sub-Account will be managed and administered for the benefit of the Beneficiary. Pending the preparation of the Beneficiary's case assessment and special needs plan, disbursements for any non-support items for the benefit of the Beneficiary may be made when, in the discretion of the Trustee, such supplemental care or special needs are not being provided by any public agency, or are not otherwise being provided by any other source available to the Beneficiary. The Trustee may also make other disbursements from the Beneficiary's Sub-Account for the Beneficiary to the extent it does not replace, reduce or substitute a Beneficiary's public agency benefits. The Grantor recognizes that all disbursements are discretionary, as directed by the Trustee. With this in mind, the Grantor may express Grantor's desires as to how funds in the Sub-Account might be used at the time of signing this Joinder Agreement on the separate "Wishes" form provided by LSS.

9. **LSS Contact Information.** Contact information for LSS, the Pooled Trust Trustee, is included on Schedule C, and may be amended from time to time.

10. **Amendment.** The provisions of this Joinder Agreement may be amended as the Grantor and the Trustee may jointly agree, so long as any such amendment is consistent with the Pooled Trust agreement and the then-applicable law. Provided, however, that after a Sub-Account is funded, the Grantor may not revoke a transfer pursuant to this Joinder Agreement.

11. **Taxes.** The Grantor acknowledges that the Trustee has made no representation to the Grantor that contributions to the Pooled Trust are deductible as charitable gifts, or otherwise. Grantor acknowledges that the Trustee has made no representations as to the gift or tax consequences of directing funds to the Pooled Trust and has recommended that the Grantor seek independent legal and tax advice. Sub-Account income, whether paid in cash or distributed in other property, may be taxable to the Beneficiary subject to applicable exemptions and deductions. Professional tax advice is recommended. Sub-Account income may be taxable to the Pooled Trust, and when this is the case, such taxes shall be payable from the applicable Sub-Accounts. Upon the Beneficiary's death, taxes due from the trust to the State(s) or federal government because of the death of the beneficiary and inclusion of the trust in the estate may be paid (except inheritance taxes) prior to reimbursement of the State(s) for medical assistance.

12. **Additional Sub-Accounts.** If the Grantor intends to enroll more than one Beneficiary under a Sub-Account Agreement, an additional agreement is required between the Grantor and the Trustee regarding such matters as the enrollment fee or consultation fees for funded enrollments, Special Assessments, and other fees (as described on Schedule A).

13. ***Federal and State Law Control.*** The Pooled Trust managed by the Trustee is a pooled trust, governed by the laws of Minnesota (Minn. Stat. § 256B.056 and/or Minn. Stat §501C.1205) in conformity with the provisions of 42 U.S.C.§ 1396p, amended August 10, 1993, by the Omnibus Budget Reconciliation Act of 1993. To the extent there is a conflict between the terms of the Pooled Trust or this Joinder Agreement and the governing law, the law and regulations shall control. The Trustee may amend the Pooled Trust and/or this Joinder Agreement from time to time in its discretion to meet the requirements of applicable law.

- _____ My client has been advised of the tax consequences of Trust Sub-Account profit.
- _____ I have advised my client that federal law requires that all unspent amounts in a Beneficiary funded **Sub-Account** at the Beneficiary’s death (remaining after payment of the remainder share) must be used to reimburse the State or States for medical services received. The remainder share of 10% of the Pooled Trust for other indigent Beneficiaries is paid before the State or States reimbursements.
- _____ There are no Medicaid liens against these funds.
- _____ There are no other liens or claims against the Sub-Account funds.
- _____ The Beneficiary of the Trust meets the definition of having a disability according to the Social Security definition (check appropriate options). The Beneficiary is currently eligible for SSI SSDI Medicaid or the Beneficiary has obtained a disability determination by other means allowable by law. Under current law, only the Beneficiary's parents, grandparents, legal guardian, the beneficiary himself or herself, or someone acting at the direction of a court may establish the Trust on behalf of the Beneficiary. If you are anyone other than the Beneficiary, then please include documents that verify that you fall within one of these permissible categories.
- _____ I have advised my client that, under 42 U.S.C. § 1396(p)(c), certain transfers of assets for less than fair market value (including but not limited to the purchase of an annuity that will not pay back to the purchaser the amount paid for it) can result in a period of ineligibility for certain types of Medicaid, including long- term care Medicaid, home or community-based waiver services, home health care services, home and community care for functionally disabled elderly individuals, and personal care services; and I have further advised my client that the act of joining the Pooled Trust is not considered such a transfer of assets for less than fair market value, but I have so advised my client that if such a transfer of assets for less than fair market value has occurred, as would be penalized under 42 U.S.C. § 1396(p)(c), joining the Pooled Trust will not avoid or mitigate the penalty period. If my client is over the age of 65, I have advised my client of the position currently being taken by the government that such transfer may result in a period of ineligibility and I have provided the Trustee with a Transfer Penalty Acknowledgement signed by my client as required by the Trustee.
